**Accounting for Cambridge IGCSE First Edition** By David Austen, John Underhill, Christine Gilchrist

Endorsed by Cambridge International Examinations, Accounting for Cambridge IGCSE First Edition completely matches specification 0452. It has been written by an expert author team and experienced examiner in a clear, direct manner making it ideal for international school students. Introductions at the beginning of each unit provide an overview of the material covered in the unit along with the Learning Outcomes as stated in the syllabus. Practice questions at the end of each unit also encourage students to apply and develop the skills they have learnt. Some of these are exam-style questions that provide students with additional exam practice. Illustrations throughout the text provide worked examples with accompanying notes to clarify workings. Links are also used to provide cross references to relevant sections of the book. There are also sections on Numeracy Skills, refreshing mathematical skills needed for calculations.
