From Italy With Love By Jules Wake

'This epic road-trip is full of glamour, romance and sizzling sexual tension, but at its heart is a truly heart-warming tale of self discovery – you'll not want to miss a moment of it.' – Chick Lit Love

Home-loving Laurie thinks she's happy – she has a safe, reliable boyfriend and working in her local library is what she thought she always wanted. That is until she inherits a vintage Ferrari from her eccentric Uncle Miles and the conditions of the inheritance are far from simple. To keep the car Laurie will have to drive across Europe with the gorgeous but unreliable Cameron Matthews as her guide... and Cam's motives for helping are not all that altruistic.

Cam isn't particularly thrilled about escorting his late pal Miles' dull mouse of a niece on this wild goose chase but all he has to do is get Laurie safely to Italy and he's sure the Ferrari is his.

But Uncle Miles had a few tricks up his sleeve and the route he's planned takes Cam and Laurie on a road trip they'll never forget. From sampling the delights of the Loire Valley to the breathtaking beauty of Lake Garda, this is one journey that has more twists and turns than either of them could ever have imagined...

#### About the Author

Despite early ambitions, my path to being a published novelist took a diversion when after reading English at the University of East Anglia, I ended up in the glamorous and deeply shallow world of PR, and I spent a number of years honing my fictional writing skills on press releases.

In my head I'm a winning contestant on Strictly Come Dancing, a competitive skydiver and a domestic goddess. Unfortunately in reality I can't dance, or sky dive and dust bunnies gather in every corner of my house but in my fun, romantic comedy, my heroines can be anything they want.
