**The Bad Boy's Redemption (Bedding the Bad Boy Book 3)** By Lili Valente

**The naughtier the bad boy, the harder he falls...**

Sometime between taking Olivia against the wall (multiple times) and saving her from her sister's escaped pet lizard, something very unexpected happened to bad boy, former marine, and all around badass firefighter Colton Brody.

He fell in love.

He fell so hard he's got permanent bruising around the heart and possible eternal contusions.

**Basically: He's got it bad.**

He doesn't want two more weeks with Olivia. He wants it all. But what if the girl he's held at a distance isn't ready to trust him with forever?

When did love get so hard?

So very, very...hard?
