## The Lyre Thief (The Hythrun Chronicles) By Jennifer Fallon

Ten years have passed since the events of the Demon Child books that left the god Xaphista dead, the nation Karien without a religion or king and the matriarchal country of Medalon ruled by men. But it is in the kingdoms of the south that things really heat up. When Princess Rakaia of Fardohnya discovers she is not of royal birth, she agrees to marry a much older Hythrun noble in a chance to escape her 'father's' wrath. Rakaia takes nothing but her jewels and her base-born half-sister, Charisee, who has been her slave, handmaiden and best friend since she was six years old. And who can pass as Rakaia's double.

These two sisters embark on a Shakespearian tale of switched identities, complicated love triangles...and meddling gods. Rakaia is rescued on the road by none other than the Demon Child, R'shiel, still searching for a way to force Death to release her near immortal Brak. Charisee tries to act like the princess she was never meant to be and manages to draw the attention of the God of Liars who applauds her deception and only wants to *help*.

Then there is the little matter of the God of Music's magical totem that has been stolen...and how this theft may undo the universe.

Powerful magics, byzantine politics, sweeping adventure, and a couple of juicy love stories thrown in for good measure, *The Lyre Thief* is classic Fallon that is sure to appeal to her fans.

At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

## **Editorial Review**

From Publishers Weekly

Fallon's trilogy launch opens 10 years after the events previously recounted in the Hythrun Chronicles, in a land where dangerous intrigues are always stirring and a royal case of switched identities heralds the renewal of old enmities. Princess Rakaia of Fardohnya is desperate to escape the court before her father, King Hablet, learns she isn't his daughter. She has agreed to marry the elderly lord of distant Highcastle—but she has no intention of going through with it. Instead, she convinces her stepsister, Charisee, to switch places with her. Their risky masquerade puts them both in the way of larger forces: the God of Liars takes a special interest in Charisee, and Rakaia falls in love with the thief whose last job has left both humans and gods scrambling. Fallon skillfully cranks up the tension, building a taut web of interlocking schemes, plots, and shady politics. With its lively cast of characters, conflicting motivations, and a bit of romance, Fallon's latest Hythrun novel will entertain new readers and returning fans. (Mar.)

### **About the Author**

Fallon is the author of 21 full-length bestselling novels and a number of published short stories in genres ranging from horror to science fiction, and a bestselling series on writing.

In addition to 4 complete fantasy series - The Demon Child trilogy, The Hythrun Chronicles, the Second Sons Trilogy, The Tide Lords Quadriology and the Rift Runners series - Fallon has written both a tie-novel and short fiction for the TV series, Stargate SG1, an official Zorro story, a novella for the Legends of Australian Fantasy Anthology and has a superhero - The Violet Valet (CHICKS IN CAPES).

Fallon has a Masters Degree from the Creative Arts faculty of QUT. A computer trainer and application specialist, Fallon currently works in the IT industry and spends at least a month each year working at Scott Base in Antarctica.
