How do all the books of the Bible fit together as a whole?

This book answers these questions and puts clear, readable Bible study aids at your fingertips. It contains thirteen essays from some of today's best evangelical scholars including C. John Collins, Thomas Schreiner, Gordon Wenham, and Darrell Bock, and will help you to:

- See the big-picture storyline of the Bible
- Understand the theology of the Old and New Testaments
- Read the different sections of Scripture effectively
