**Cursed (The Order of the Wolf Book 1)** By Angela Addams

*Her biggest mistake comes with fangs...and a nose for tracking her down.*

*The Order of the Wolf, Book 1*

Wherever there's a lying, cheating scumbag who's broken a woman's heart, Vengeance Dealer Darcy Wells is there. So what if she isn't the most skilled witch around? She's only using one spell, which leaves the hapless male suffering tormenting lust for one woman. Her.

The beautiful part? This curse comes equipped with a blinding agent, allowing her a clean getaway. Unrequited lust, coming right up! As far as Darcy is concerned, it's justice served. Her next target: Raven Glock, rock band bassist and drop-dead-gorgeous sex god.

When Raven lays eyes on the luscious Darcy, he gives her what he promises all the starry-eyed groupies who toss their panties at him—one unforgettable night in his bed. Sex with Darcy is so epic that he forgets his cardinal rule: to get her out before morning.

At the crack of sunrise, Darcy serves Raven a face full of cursed ash. But something goes horribly wrong...and she finds herself magically tethered to one pissed-off werewolf.

Worse, breaking the spell could cost her everything...maybe even her life.

Warning: Sexually explicit language, tattoos, piercings, and giant...um...feet. Wet panties are a given. Author assumes no responsibility for spontaneous ravishment of significant others, pool boys, or local pizza delivery personnel.
