**Dead Things (Eric Carter)** By Stephen Blackmoore

**The first book in Stephen Blackmoore's dark urban fantasy series follows necromancer Eric Carter through a world of vengeful goddesses, mysterious murders, and restless ghosts • "Gritty, emotional and phenomenally imaginative." —RT Reviews**

Necromancer is such an ugly word, but it's a title Eric Carter is stuck with.

He sees ghosts, talks to the dead. He's turned it into a lucrative career putting troublesome spirits to rest, sometimes taking on even more dangerous things. For a fee, of course.

When he left LA fifteen years ago, he thought he'd never go back. Too many bad memories. Too many people trying to kill him.

But now his sister's been brutally murdered and Carter wants to find out why.

Was it the gangster looking to settle a score? The ghost of a mage he killed the night he left town? Maybe it's the patron saint of violent death herself, Santa Muerte, who's taken an unusually keen interest in him.

Carter's going to find out who did it, and he's going to make them pay.

As long as they don't kill him first.

### Editorial Review

Review

Praise for the Eric Carter series:

"Blackmoore can't write these books fast enough to suit me. *Broken Souls* is **hyper-caffeinated, turbo-bloody, face-stomping fun**. This is the L.A.-noir urban fantasy you've been looking for." —Kevin Hearne, *New York Times*-bestselling author of *The Iron Druid Chronicles*

"**Demons and dark magic and gods of death**: what's not to like? Blackmoore's hard-charging prose hits like a bullet fired from a cursed gun.... Fast becoming my favorite urban fantasy series, *Broken Souls* is a welcome addition to the necromancer chronicles of Eric Carter. Read this book. Read it now." —Chuck Wendig, author of *Blackbirds*

"Eric Carter's adventures are **bleak, witty, and as twisty as a fire-blasted madrone**, told in prose as sharp as a razor. Blackmoore is the rising star of pitch-black paranormal noir. A must-read series." —Kat Richardson, author of the *Greywalker* novels

"*Broken Souls* is a deliciously gritty thrill ride. I can't get enough of Stephen Blackmoore's **warped imagination and superb noir sensibilities**. This is a must-read for any fan of awesome things." —Jaye Wells, author of the *Sabina Kane* series

"Blackmoore employs Chandleresque prose to smoothly incorporate a hard-boiled sense of urban despair into a paranormal plot, with occasional leavening provided by smart-aleck humor. Urban fantasy readers will appreciate the **polished, assured writing and hope for a bevy of sequels**." —*Publishers Weekly*

"**Gritty, emotional and phenomenally imaginative**, Blackmoore's sophomore book is a pitch-perfect success.... Snappy, sarcastic yet heartwrenching style that defines the best noir narratives.... With wonderfully inventive paranormal elements, readers are sure to get lost in Eric's journey and enjoy every moment of the ride, emerging at the end hungry for more." —*RT Reviews* (top pick!)

"Stephen Blackmoore's *Dead Things* is **a demon punch to the face**. It will make you sit up and notice. Or fall down spitting out broken molars. Don't mind the bloody drool, either way you'll be smiling." —*Pulp 300*

About the Author

**Stephen Blackmoore** is an author and a blogger. His first novel is *City of the Lost*, a paranormal noir with zombies, demons, witches, and a lot of action. He can be found at [stephenblackmoore.com](http://stephenblackmoore.com) and on Twitter @sblackmoore.
