It Had to Be Fate (An It Had to Be Novel Book 3) By Tamra Baumann

Falling for a bad-boy rock star is the last thing single mother Casey Anderson-Bovier should do. Embroiled in a custody battle with her ex, Casey is fighting to raise her boys in their quaint Colorado hometown—a secret haven for celebrities. But when it comes to her hotel’s newest guest, Casey can’t connect the dots. Is Zane Steele the out-of-control rocker plastered all over the media, or the captivating man with a killer smile who’s charming her and her two boys?

Zane has a good reason for letting the world believe the worst of him—and that’s a secret he’s sure he can never share...until he meets Casey. After years of having fans fall at his feet, he’s found the one woman who brings him to his knees. Casey is beautiful and intriguing—and thoroughly justified in not trusting him one bit, especially with her family at stake. But the only way to be together is to convince her to take a chance on him, on fate, and on their crazy, unexpected love.

Editorial Review

About the Author

Tamra Baumann became hooked on writing the day she picked up her first Nora Roberts novel from her favorite bookstore. Since then, she's dazzled readers of contemporary romance with her own lighthearted love stories. She was the 2012 Golden Heart winner for Contemporary Series Romance and has also received the Golden Pen Award for Single Title Romance. Born in Monterey, California, she led the nomadic life of a navy brat before finally putting down permanent roots during college. When she's not attending annual Romance Writers of America meetings, this voracious reader can be found playing tennis, traveling, or scouting reality shows for potential character material. Tamra resides with her real-life characters—a husband of thirty years, two kids, and their allergy-ridden dog—in the sunny Southwest.

Users Review

From reader reviews:

Todd Crain:

This book untitled It Had to Be Fate (An It Had to Be Novel Book 3) to be one of several books this best seller in this year, that is because when you read this reserve you can get a lot of benefit onto it.
