Kenneth C. Davis CD Audiobook Bundle: Don't Know Much About the Civil War; Don't Know Much About History, Anniversary Edition; Don't Know Much About Anything By Kenneth C. Davis

Three classic Kenneth C. Davis audiobooks are now available as an audiobook collection. Collection includes: *Don't Know Much About the Civil War*, *Don't Know Much About History, Anniversary Edition*, and *Don't Know Much About Anything*

Don't Know Much About the Civil War (5 CDs, Abridged):

Millions of Americans, bored by dull textbooks, are in the dark about the most significant event in our history. Now *New York Times* bestselling author Kenneth C. Davis comes to the rescue, deftly sorting out the players, the politics, and the key events—Emancipation and Reconstruction, Shiloh and Gettysburg, Generals Grant and Lee, Harriet Beecher Stowe—and much more.

Drawing on moving eyewitness accounts, Davis includes a wealth of “hidden history” about the roles played by women and African Americans before and during the war, along with lesser-known facts that will enthrall even learned Civil War buffs. Vivid, informative, and hugely entertaining, *Don't Know Much About the Civil War* is the only audiobook you'll ever need on “the war that never ended.”

Don't Know Much About History, Anniversary Edition (5 CDs, Abridged):

Here, celebrating the twentieth anniversary of its debut as a *New York Times* bestseller, is the revised, updated, and expanded edition of the classic anti-textbook that changed the way we look at history. First published two decades ago, when the “closing of the American mind” was in the headlines, *Don't Know Much About® History* proved Americans don't hate history—just the dull version that was dished out in school.

Now Davis has brought his groundbreaking work up to the present, including the

history of an “Era of Broken Trust,” from the end of the Clinton administration through the recent Great Recession. This additional material covers the horrific events of 9/11 and the rise of conspiracy theorists, the wars in Iraq and Afghanistan, Hurricane Katrina and the failure of the New Orleans levees, the global financial meltdown, the election of Barack Obama, and the national controversy of same-sex marriage.

Don’t Know Much About Anything (4 CDs, Abridged):

Don't Know Much About Anything: Everything You Need to Know But Never Learned About Famous People, Exceptional Places, Historical Happenings, Holidays and Traditions, Everyday Objects, Remarkable Inventions, Space, Sports, Food, Entertainment and More! is a compendium of around 275 columns, sorted into the subject categories listed in the subtitle. Quizzes on the atomic bomb, hamburgers, football, and *The Wizard of Oz* are included, along with the Emancipation Proclamation, cold weather, and Mother Theresa, to name a few.

Like all of Ken Davis' Don't Know Much About audiobooks, *Don't Know Much About Anything* will educate and inform listeners while allowing them to have fun.
