**Moral Wisdom: Lessons and Texts from the Catholic Tradition** By James F. Keenan SJ

*Moral Wisdom* introduces readers to moral theory through a Catholic lens. In a warm, conversational style, Father Keenan shares a wealth of stories and examples to highlight the resources in the Catholic tradition for developing moral wisdom. Connecting formative influences of the Catholic heritage with themes of love, consciences, sin, and suffering, the book helps readers appreciate what gives meaning to our lives.

The third edition has been revised throughout to help the reader better understand how to develop and apply moral wisdom in real life. It features additional examples, as well as new material on the teachings of Pope Francis. Chapters on the Ten Commandments and the teachings of Jesus have been re-worked in light of new scholarship. The book also features a new final chapter, *Moral Agency*, which addresses making practical decisions based on the lessons and texts from the book. Each chapter includes study questions to help readers further reflect on key themes.

### Editorial Review

#### Review

Keenan's book is sharp, offering constructively critical analyses of fundamental moral theological ideas with a profound respect for the Catholic tradition. Keenan uses his own personal stories to recast moral theological ideas in ways that resonate deeply with our lives. Students and colleagues alike identify well with his struggles with moral issues. The chapters on love, sin, suffering, and mercy are extraordinary. (Dominic Colonna, Department of Theology, Lewis University)

This is a lovely book! Keenan probes his own experiences of struggle, suffering, and love, interweaving them with biblical reflection and theological analysis. He looks fault and sorrow squarely in the face, yet sustains buoyant notes of hope and commitment. The content of this book is an exercise in the virtue of its title. (Lisa Sowle Cahill, J. Donald Monan Professor of Theology, Boston College)

Imagine a book that is at once a source of profound wisdom, a systematic presentation of a moral and ethical tradition, and a 'page-turner!' This is what James Keenan's *Moral Wisdom* turns out to be. There is nothing facile about this volume, nothing superficial, nothing manipulative. It weaves together autobiography, the stories of others, interpretation of biblical and theological texts, and a deep understanding of what morality is and what the Roman Catholic tradition of moral theology has been and can be when it is at its best. Few will come away from reading this book without imaginative new hope, salutary appreciation for 'hard sayings,' new insight into the meaning of divine mercy, and perhaps experiences of both laughter and the 'gift of tears.' Thought-provoking and informative, opening questions and not shutting them down: here is a significant contribution to ongoing explorations of the moral life. (Margaret A. Farley, Gilbert Stark Professor of Christian Ethics, Yale University Divinity School)

Moral wisdom is hard to come by because it is so complex. Most of us strive for moral wisdom throughout our lives but never totally attain it. In this book, James F. Keenan skillfully brings together deep theological knowledge, historical lessons, acute pastoral sensitivity, broad spiritual experiences, and true prudence in proposing moral wisdom for Christian life and spirituality today. (Charles E. Curran, Elizabeth Scurlock University Professor of Human Values, Southern Methodist University)

James Keenan puts 'flesh and bones' on the abstractions of moral theory and demonstrates from his own personal experience how the Christian moral life is a pilgrimage of faith, hope, and love. Keenan's book will be used widely in college classrooms and seminaries alike. His clarity, honesty, and passion ought to be emulated by every moral theologian. (Stephen J. Pope, Boston College)

This third edition of Keenan's work demonstrates ever more clearly that it is not a book about moral wisdom but a book of moral wisdom. With an appealing blend of personal stories, Catholic moral theology, and insightful interpretation of human experience, Keenan's volume continues to be a welcome resource for teachers and students. (Kenneth Himes, OFM, Boston College)

Keenan is a master at conveying the dynamism of Catholic moral thought, weaving together theological scholarship with autobiography and the arts. He is without peer in his ability to teach through story, revealing the tradition to be nimble, nuanced, and capable of disclosing readers' own inner lives. Keenan's magnificence as a teacher shines brightly through the pages of this third edition, and students of the text will reap profound benefits to both their intellect and their humanity. (Kathryn Getek Soltis, Villanova)

University)

Father James Keenan is one of those rare contemporary theologians who compellingly weaves together rich pastoral experience and masterful intellectual inquiry. To read him is to hear not only the considered wisdom of Catholic moral teaching, but to have the privilege of hearing a learned man struggling to work out his own moral practices. In this book, lay readers and scholars alike can see how Catholic moral tradition informs a life of discernment, love, and everyday courage. (Tom Beaudoin, Fordham University)

About the Author

**James F. Keenan, SJ**, is Canisius Professor of Theology and Director of The Jesuit Institute at Boston College. He is the author or editor of a number of books, including *University Ethics: How Colleges Can Build and Benefit from a Culture of Ethics* and *The Works of Mercy: The Heart of Catholicism*.

## Users Review

**From reader reviews:**

**Nancy Smith:**

What do you concentrate on book? It is just for students as they are still students or the idea for all people in the world, exactly what the best subject for that?
