Editorial Review

Review

“He was an adventurer and a man of action as few writers have ever been . . . the excellence of his short stories has been almost forgotten.”—**George Orwell**

From the Publisher

Windows 3.11, Windows/95, Windows/98, OS/2 and MacIntosh and Linux with Windows Emulation.

Includes Quiet Vision's Dynamic Index. the ability to build a index for any set of characters or words.

From the Inside Flap

Like the celebrated "Klondike Tales, the stories that comprise "South Sea Tales derive their intensity from the author's own far-flung adventures, conveying an impassioned, unsparing vision borne only of experience. The powerful tales gathered here vividly evoke the turn-of-the-century colonial Pacific and its capricious tropical landscape, while also trenchantly observing the delicate interplay between imperialism and the exotic. And as Tony Horwitz asserts in his Introduction, "When London's stories click, we are utterly there, at the edge of the world and the limit of human endurance."

Users Review

From reader reviews:

Holly Silva:

The book South Sea Tales gives you the sense of being enjoy for your spare time. You may use to make your capable more increase. Book can for being your best friend when you getting anxiety or having big problem along with your subject.
