### The Case of the Missing Servant: From the Files of Vish Puri, Most Private Investigator (A Vish Puri Mystery) By Tarquin Hall

The first in a detective series that “immediately joins the No. 1 Ladies’ Detective Agency as representing the best in international cozies” (*Booklist*, starred review).

Meet Vish Puri, India’s most private investigator. Portly, persistent, and unmistakably Punjabi, he cuts a determined swath through modern India’s swindlers, cheats, and murderers.

In hot and dusty Delhi, where call centers and malls are changing the ancient fabric of Indian life, Puri’s main work comes from screening prospective marriage partners, a job once the preserve of aunties and family priests. But when an honest public litigator is accused of murdering his maidservant, it takes all of Puri’s resources to investigate. With his team of undercover operatives—Tubelight, Flush, and Facecream—Puri combines modern techniques with principles of detection established in India more than two thousand years ago, and reveals modern India in all its seething complexity.

### Editorial Review

From Publishers Weekly

Vish Puri, the head of Delhi's Most Private Investigators Ltd., tackles a rather prosaic domestic case in this first of a projected series, the fiction debut of British author Hall (*Salaam Brick Lane*). Ajay Kasliwal, a lawyer who has brought cases against corrupt government officials, retains Puri to find a maid, Mary, who has gone missing from his household. Rumor has it that Kasliwal killed Mary because he got her pregnant, and when Mary turns up dead, the authorities arrest Puri's client. While the 51-year-old married detective, who could lose some weight and is affectionately called Chubby, has a certain quirky charm, the resolution of the mystery of Mary's murder is less than satisfying. Hopefully, a future installment will go into what sounds like a more unusual matter, the Case of the Missing Polo Elephant, for which Puri won the fictional Super Sleuth award in 1999. (*June*)

Review

“Hall turns to fiction with the debut of what promises to be an outstanding series....An excellent, delightfully humorous mystery with an unforgettable cast of characters, *The Case of the Missing Servant* immediately joins the *No. 1 Ladies' Detective Agency* as representing the best in international cozies.”

—*Booklist* (starred review)

“Speaking of sweet stuff, consider *The Case of the Missing Servant* by Tarquin Hall. This first novel is set in Delhi, where Vish Puri, founder and director of Most Private Investigators, Ltd., performs discreet investigations into the backgrounds of prospective grooms, with surprising and often comic results.”

—Marilyn Stasio, *New York Times Book Review*

Review

"A lively and quick-paced series debut."

### Users Review

**From reader reviews:**

**Earnest Jennings:**

In this 21st millennium, people become competitive in each way. By being competitive now, people have do something to make all of them survives, being in the middle of the particular crowded place and notice by surrounding.
