The Circle of Eight (A James Acton Thriller, Book #7) (James Acton Thrillers) By J. Robert Kennedy

*** **FROM USA TODAY BESTSELLING AUTHOR J. ROBERT KENNEDY** ***

ABANDONED BY THEIR GOVERNMENT, DELTA TEAM BRAVO FIGHTS TO NOT ONLY SAVE THEMSELVES AND THEIR FAMILIES, BUT HUMANITY AS WELL.

The Bravo Team is targeted by a madman after one of their own intervenes in a rape. Little do they know this internationally well-respected banker is also a senior member of an organization long thought extinct, whose stated goals for a reshaped world are not only terrifying, but with today's globalization, totally achievable.

As the Bravo Team fights for its very survival, they are suspended, left adrift without their support network. To save themselves and their families, markers are called in, former members volunteer their services, favors are asked for past services, and the expertise of two professors, James Acton and his fiancée Laura Palmer, is requested.

It is a race around the globe to save what remains of the Bravo Team, abandoned by their government, alone in their mission, with only their friends to rely upon, as an organization over six centuries old works in the background to destroy them and all who help them, as it moves forward with plans that could see the world population decimated in an attempt to recreate Eden.

From USA Today bestselling author J. Robert Kennedy comes The Circle of Eight, the seventh installment in the internationally best selling James Acton Thrillers series.
