The Joseph Communications: Revelation. Who you are; Why you're here.

By Michael G. Reccia

This unique book, with its revolutionary insight into who we really are and why we are here, will change your viewpoint forever.

Through the mediumship of Michael G. Reccia, Joseph -- a highly evolved spirit who is deeply concerned about the state and fate of the world -- delivers his vital message for mankind and reveals truths about life and reality that have never been written about before.

Intelligent, thought-provoking, non-religious and written in direct, concise language, this truly astonishing book covers a variety of topics and addresses in a revolutionary way the questions that most people ask themselves at some point during their lives:

- Who and what am I -- and what is the purpose of life?
- Why can I never find true happiness?
- Does God really exist and, if so, why is He so distant and indifferent to the suffering in the world?
- If God is benevolent, why is there so much violence, illness and discord in the world?

Are we destined to destroy this planet or is there something we can do before it is too late?

With its practical approach to spirituality, Revelation will empower you by disclosing the essential truth about yourself and your spiritual heritage whilst making you aware of the active part you play in creation and the miraculous things you are capable of achieving.
