### Estado Patria (Spanish Edition) By Luis Dávila Colon

Estado Patria es un libro controversial que reitera la supremacía del autor en el análisis político boricua. En este libro, se describe con fe de hechos el colapso del ELA, el robo de las elecciones del 2004 y la penetración del chavismo nacionalista dentro del Partido Popular Democrático. El autor despedaza los mitos levantados contra la estadidad y hábilmente desmiente los cucos del idioma inglés, de la supermayoría, de la destrucción de la cultura, los costos y condiciones de la integración política y las follonetas de los concursos de belleza y la identidad olímpica. La obra termina con un extraordinario visión del futuro latinoamericanista para la inevitable e impostergable admisión a la Unión americana del Estado Patria puertorriqueño.

El Maestro Luis Dávila Colón rompe las falsas vidrieras coloniales, y exhibe lo mejor de su conocimiento y artesanía para destruir la mitología del ELA colonial y plantear, como nadie, los argumentos más contundentes a favor de la estadidad.

Estado Patria es la excelencia de la vanguardia estadista.
