Hendrix (Caldwell Brothers) By MJ Fields, Chelsea Camaron

USA TODAY BESTSELLER • Perfect for fans of J. S. Scott and Emma Chase, *Hendrix* introduces the wild and sexy Caldwell boys—three brothers who are living up to their legendary names in Detroit Rock City.

Hendrix Caldwell wants nothing more than to revitalize the family bar—and tear down every last reminder of his no-good father. But business isn't the only thing on his mind. An explosive encounter with a stranger at a charity masquerade is just the distraction he craves, with no names and no strings attached. For Hendrix, sex is casual, and love is a four-letter word. His commitment is to his brothers, his bar, and his bike. So why can't he stop thinking about the naughty Cinderella who rocked his world, then left him—and her panties—behind?

Olivia Hemmingway knows fairytales are for little girls. Drowning in debt and hiding a shameful secret, she won't be saved by a knight in tattooed armor, no matter how mind-blowing their one-night stand may have been. Olivia never expects to meet her masked lover again. But when she takes a job at Hendrix Caldwell's bar, her sexy new boss seems all too familiar. And once the lights go out and the music is turned up, the sparks between them burn hotter than ever.

Her love for reading has sparked a new love for writing and she currently has a multiple projects in the works.
