**Rutas migrantes en Chile: Habitar, festejar y trabajar (Spanish Edition)** By Walter Imilan, Francisca Márquez, Carolina Stefoni

Habitar, festejar y trabajar: estas son las prácticas a través de las cuales los migrantes construyen las complejas rutas del arraigo en nuestras ciudades. Este libro reúne textos que indagan, a través de la observación y la escucha, en estos procesos de construcción –a veces doloroso y a veces alegre– de las identidades migrantes. La migración es siempre un movimiento transfronterizo, impulsando a las poblaciones a una recreación de sus adscripciones de identidad. Y decimos recreación no en el sentido de reproducir algo ya existente, sino en el volver a crear, como un ejercicio activo de lo cual emerge lo nuevo.
