Soulwoven: Exile (Soulwoven #2) By Jeff Seymour

The second volume in the dark epic fantasy series SOULWOVEN.

Darkness is falling.

The dragon Sherduan is free, and the fate of the world balances on the tips of its claws. Friends and brothers are separated. Apart, they travel through shadow.

A young man born a monster wrestles with his heritage. New lovers cling to happiness as the world crumbles. A prince discovers that, in the end, his weakness may outweigh his determination. Two soulweavers find in homecomings not solace but soul-crushing ordeal.

Those who stood before the black wall when Sherduan was summoned were chosen. But by whom? And for what?

And will their courage create enough light to push back the darkness?

Editorial Review

Review

"One of the few series to not catch a serious case of sequelitis...*Exile* builds excellently on the strong base it establishes in the first instalment. Seymour adroitly handles a much more mature and dark series of events with characters that show true depth and engagement with their world and each other." - *The Speculative Post*

"Captures the horror and the brilliance of the human spirit and makes you hunger for the next book." - *So I Am a Reader!*

Praise for SOULWOVEN

"Seymour captivates your senses with luscious description as he creates one of the most unique magic systems I've read. This artist is one to watch." --Jennifer Foehner Wells, bestselling author of *FLUENCY*

"Seymour's artful perfectionism will have readers clamoring for the sequel." - *Kirkus Reviews*

From the Author

This is hands-down the best thing I have ever written. I am so, so much better now than I was when I wrote *Soulwoven* that it scares me. All the things I've learned in millions of words of writing and reading and editing are firing here. There are deeper themes, darker moments, more beautiful descriptions, and tighter plots than I've ever created before. If you liked the first book, you're going to love this one. If you were on the fence about the first book, you're going to love this one. And if you read the first few pages of the first book and went "Eh...", go ahead and try this one. I'm pretty sure you'll love it too.

Thanks for coming on this ride with me. *SOULWOVEN: EXILE* is dark, deep, hard stuff. The story took my characters into shadows I didn't see coming, and it was hell getting them back out again. But I did. Hang in there for the end. Trust me, it'll be worth it.
