Synthesis & Counseling in Astrology: The Professional Manual By Noel Tyl

An astrologer's duty?to interpret and communicate what they see on a chart?is no easy task. They must make creative connections, know what to say when, and help their clients deal with life's most pressing issues.

Noel Tyl illustrates how astrological measurements?through creative synthesis?can be used to effectively counsel individuals. Concrete examples are provided through the horoscopes of 122 celebrities, historical figures, and private clients. Also includes "quick glance" transit tables and a natal and midpoint solar arc analysis directory.

Editorial Review

From the Publisher

Synthesis & Counseling in Astrology by Noel Tyl is one of the greatest and most important books on astrology I have ever read. Neither simple nor complicated, it is demanding—when you read this book, you will be asked to dig into the conditions of life and put life into astrological measurements.

Synthesis & Counseling in Astrology has been called "The Professional Manual" for astrologers. It presents the keystone measurements that trigger our awareness of life patterns of conditioning. These singular measurements then reach out for others in the process of synthesis. Patterns start to emerge from the chart, familiar patterns of life that define personal reality. The many parts become a whole.

Your duty as an astrologer is to act as a midpoint between a horoscope and a person. To achieve this you must learn how to communicate what you see in the chart. You must learn to make creative connections, know what and when to say it, determine how to discuss problems, and help your client deal with life's most pressing issues.

One book, and only one book, teaches all of this and more. If you want to be a better astrologer, don't wait. Get "The Professional Manual." Its name: *Synthesis & Counseling in Astrology*.

About the Author

Noel Tyl is one of the foremost astrologers in the world. His twenty textbooks have guided astrologers for two generations, and his lecture activities reach out through sixteen countries and some 200,000 miles a year.

Tyl has written the definitive professional manual in the astrology counseling field, the 1,000 page *Synthesis & Counseling In Astrology*; is consulted regularly by individuals and corporations throughout the world, and directs the Master's Degree Correspondence Course for Certification of professional astrologers from his office in the Phoenix, Arizona area.

Tyl, a Harvard University graduate, is also the Presiding Officer of AFAN (The Association for Astrological Networking), astrology's world organization. His most recent titles include *Solar Arcs*, *Predictions for a New Millennium*, and *Astrology of Intimacy, Sexuality, & Relationship*, all published by Llewellyn Publications.
