Three Hens and a Peacock By Lester Laminack

The Tuckers' farm is a peaceful place: cows chew their cud, hens lay their eggs, and the old hound rests on the porch. Everyone has a job and no one complains. That is, until a hapless peacock suddenly falls off the back of a passing truck and stirs things up.

Soon, customers are flocking to the farm to see what all the fuss is about, and business is booming. But the hens don't like the newcomer getting attention while they stay cooped up doing all the hard work. The wise old hound sees the problem and helps his feathered friends orchestrate a job swap. What follows is the hilarious tale of three hens who get in way over their feathered heads, and one very distressed peacock who just can't figure out how to lay an egg.

Popular author Lester L. Laminack has created a comical look at what happens when we underestimate the value of others' work. Henry Cole's delightful illustrations heighten the story's humor and will have readers of all ages laughing out loud.
