Vermont Travel Journal By Sandy Levesque (editor)

The 6" x 9" journal is sized to fit in most glove compartments, purses, backpacks, and totes. Its durable cover has a smooth matte finish and the spiral binding allows the book to lay flat for ease of use. It is printed on classic, cream colored, acid-free, archival paper that will preserve travel memories for years to come. Vintage Vermont postcards from another century provide the design element for the covers and complimentary interior pages. A map of Vermont county and town boundaries is also included, as well as a useful list of Vermont Travel Resources - maps, books, and websites - an all in one reference and notebook. All of Vermont's 255 civic/geographic entities or "places" - 237 towns, 9 cities, 5 unorganized towns, 3 gores, and 1 grant - are listed alphabetically, along with their charter, grant or patent date, on lightly-lined writing pages. The adventurous traveler is encouraged to record a favorite memory from each of these places, or to simply validate their visit in the allotted space to create a unique, treasured keepsake.
