A Powerful Story Set Against the Backdrop of Today's Israel

Nothing in Abigail MacLeod's life as a wife, a mother, and a teacher has prepared her for what she will experience during her summer in Israel. At forty-two, her life is in chaos, even before she leaves home--her marriage is dissolving before her very eyes, her faith is in shambles. This pilgrimage to Israel was supposed to be a new beginning for her. But by the end of the first day, she is forced to board an Israeli jetliner in spite of a bomb threat, and watches helplessly as a kind, fatherly gentleman she befriended on the plane dies in her arms.

This is a summer Abby will spend learning about archaeology, delving into the past. And it's a summer that will change her life in ways she never imagined.

Editorial Review

From the Back Cover

Nothing in her life as a wife, mother, and teacher had prepared her for this...

At forty-two, Abigail MacLeod is about to realize a lifelong dream--participation in an archaeological dig in Israel. Crushed by her husband's decision to end their marriage, Abby clings to the hope that somehow this trip will help to bring an element of peace into her chaotic life. But when tragedy taints the summer's promise, Abby questions the wisdom of staying on.

The comforting friendship of archaeologist Hannah Rahob and the captivating wonder of the Holy Land compel Abby to remain. But what she discovers beneath the surface of Israel's beauty and the intrigue of its past is a history of pain and struggle. As the tumultuous world of first-century Palestine comes to life amid the ruins, Abby wonders if the faint remnant of her childhood faith could be the lifeline she's been searching for.
