Wolf from the Past (Salvation Pack) By N.J. Walters

Playing dead is easy. Living is hard.

Salvation Pack, Book 4

Sylvie LaForge Dubois knew coming back from the dead wouldn't be easy, but facing her brother and his friends is harder than she imagined. The way Gator Rollins watches her every move makes her decidedly uneasy and excited.

After surviving a forced mating to the abusive Andre Dubois, having a rugged, dangerous werewolf like Gator sniffing around her is scary and thrilling at the same time. She never imagined she'd want another man, but her bone-deep attraction to Gator is too strong to fight.

Gator never got a chance to tell Sylvie he loved her before she was mated with another and, well, *died*. Now that she's back, there's nothing he won't do to protect her.

Once word gets out, Sylvie's former pack will be coming for her. No one leaves the Louisiana pack, especially not a female werewolf. But Gator's determined that this time he won't let anyone or anything get between him and Sylvie, even if she can't decide if his touch makes her want to jump his bones...or run for the hills.

Warning: If you believe in second chances, this story will rock your soul, make you swoon, and bring tears to your eyes. Don't say we didn't warn you.
