**Fire and Ice (Faerie Song Saga Book 1)** By Michele Barrow-Belisle

OPTIONED FOR MOTION PICTURE!

Adventure wasn't something Lorelei Alundra was interested in. Gifted with two other-worldly talents for singing and healing, she's always shied away from her gifts and the spotlight, preferring quiet anonymity, over attention and fame. But when she meets the enigmatic Adrius, with his dark and dangerous mystique and eyes that could see into her soul, her uneventful life becomes irrevocably altered.

Adrius turns up in every one of her classes and knows more about her than any newcomer should. Including the condition of her mother who is suffering from a mysterious illness. Accepting his offer to help leads her into a terrifying and thrilling world, where Elves are even hotter than Legolas, and Faeries.... are nothing like Tinkerbell. The two magical beings are fire and ice opposites. One Lorelei can't help falling for, and the other she's compelled to be with.

Now she's trapped, expected to prevent a war between witches and faeries, or forfeit her mother's life. Nothing is what it seems. Not her family. Not the Fey. Not even Adrius, whose feelings for her balance precariously between desire and danger. Despite her better judgment, she can't say away from him.

As secrets unravel and unsettling truths are revealed, Lorelei must fight to save much more than her mother's life. One mistake could put the fate of his world, and her soul in jeopardy.

But hey, no pressure... right.

InD'Tale Magazine review

4.5 star rating with a Golden Heart Crown of Excellence Award

Michele Barrow-Belisle has such an exquisite way with words! She paints a very wild and vivid picture throughout the entire story. The creatures and the scenery practically jump off the page as the reader travels on a journey of a girl finding where she came from and who she is. The amount of characters and creatures are abundant at times and the reader may get caught up in trying to keep them all straight. The reader must concentrate to remember the main characters are the focus while all the others are part of setting the scenes. For fantasy lovers, this is a fun, fantastic tale where with everyone can live happily ever after....or can

they??

Fire & Ice 5 Star Review

Okay so not only did I absolutely and utterly fall in love with this book, but I need more. Like right now!!! And not only did I love the story line and characters and the entire world of Mythlandria and everything else about this book, but I want it as a movie!!! All I kept thinking through the entire book is how amazing this would be to watch. It's like Lord of the Rings meets Harry Potter meets Alice in Wonderland mixed with some awesomeness. And all I want to do is see what this world that Michele has created looks like. - *Meagan Weis- Books To Get Lost In*

About the Author

Michele Barrow-Belisle is an author and artist living in southern Ontario, Canada with her husband, son and a ridiculously affectionate cat. Often told by teachers to stop dreaming and get her head out of the clouds, Michele still spends much of her time lost in make-believe worlds, populated with fascinating characters. Her passion for fantasy extends beyond her writing into her figure sculpting, creating miniaturized replicas of the paranormal beings she writes about. She loves reading, writing and all things romantic. She also loves chocolate, lattes and fireflies at twilight. Did we mention she loves chocolate?
