He might be innocent.

Or he might be very, very guilty...

Editorial Review

Review

"*Locked, Loaded, & Lying* is a standalone **romantic suspense novel** from Sarah Andre and was a highly entertaining read... There was nothing formulaic about it all, meaning the story and characters weren't what you'd find in your typical romance novel, so kudos to Sarah Andre for her inspiring creativity and more than laudable writing skills. *Locked, Loaded, & Lying* is a debut novel so **worth reading**, people, so pre-order it! This gets **five stars**." -Jennifer Valencia, Bookaholics-Not-So-Anonymous, bookaholicism.blogspot.com

"Wow - what a **fast paced thriller** full of unexpected events, mysteries and enthralling action. I really enjoyed this **superbly written page turner** and didn't want to put it down till I found out the truth about what happened to Tiffany - and when I did, what a shock! A brilliantly written thriller that I highly recommend. I'll certainly be looking out for more by this **brilliant author** in future." -Splashes Into Booksblog, splashesintobooks.wordpress.com
