Editorial Review

From School Library Journal

Gr 2–5—The crime-fighting Lunch Lady has been canned by the dastardly new superintendent, and a slew of thugs have united to take over the school in her absence. The Breakfast Bunch, Lunch Lady, and her cohort Betty must team up in this final volume to save Thompson Brook School for good. The only downside to this book is that it's the last in the series. Fans will eat it up and still be hungry for more from the heroic Lunch Lady and her pals.
