## **Editorial Review**

### **Review**

"Each book [in the Paper Hearts series] is refreshingly well organized and accessible. ...Revis gets straight to the heart of matters such as story structure, offering tools and sample outlines. The books are very much focused more on the 'how' to write than the 'why.'"

--Joanne O'Sullivan, *Asheville Citizen Times*

"Revis's book should find its way to the keeper shelf of both aspiring and accomplished writers."

--*Publisher's Weekly*

This is the book I wish I had when I was starting out. It's also my reminder, after years of writing, of the basics that are often overlooked.

I've included as much information about writing in this volume as I could, including a large appendix full of "What to do if..." scenarios. Additionally, I encourage you to check out [bethrevis.com/paperhearts](http://bethrevis.com/paperhearts) for free downloadable supplements and more information.
