Peter and the Shadow Thieves By Dave Barry, Ridley Pearson

In this riveting and adventure-packed follow-up to *Peter and the Starcatchers*, we discover Peter leaving the relative safety of Mollusk Island—along with his trusted companion Tinker Bell—for the cold, damp streets of London. On a difficult journey across the sea, he and Tink discover the dark and deadly, slithering part-man/part-creature Lord Ombra. It seems that the dreaded Ombra has a variety of mysterious powers including the ability to make shadows disappear. When Peter reaches London, he sets out to find the indomitable Molly. Together they must combat Ombra's terrible forces to both protect the Starcatchers and the treasured starstuff and most importantly to rescue Molly's mother from the clutches of evil. Dave Barry and Ridley Pearson have done it again—written a compulsively readable, impossible-to-put-down tale that will delight readers of all ages.

Editorial Review

From School Library Journal

Grade 4-7—In this sequel to *Peter and the Starcatchers* (Hyperion, 2004), trouble arrives at Mollusk Island (otherwise known as Never Land) in the form of a ship filled with nefarious characters searching for the trunk of starstuff that the Starcatchers spirited away in the first book. When the bad guys, led by nonhuman Lord Ombra, learn that it is in London, they sail off in pursuit, and it takes the combined efforts of Peter, Tinker Bell, and Peter's friend Molly's Starcatcher family to ensure that it is returned to outer space before Lord Ombra can use it to rule the world. Kids won't have to have read the first book to dive headfirst into this one; it is filled with enough rollicking, death-defying adventure to satisfy anyone. Readers familiar with James Barrie's *Peter Pan* (or even the Disney animated version) will immediately recognize and enjoy familiar characters, but it is when the action switches to London that the plot really starts to sizzle. Breathless chases and near-death experiences are spiced with a miasma of Dickensian squalor, creating scenes that are rich in color and action if short on in-depth characterization. This should appeal to fantasy and adventure fans alike.—*Eva Mitnick, Los Angeles Public Library*

Gr. 5-8. In this second prequel to the adventures made familiar by J. M. Barrie and Walt Disney, which builds on the events of *Peter and the Starcatchers* (2005), two veteran writers for adults do not disappoint. Sustaining the first book's lively pace are short chapters packed with action and well-chosen details--both icky (Peter and the bucket of excrement!) and marvelous (the pitch-perfect sound of Tink's exasperation). An evil force is once again trying to obtain starstuff, the magical substance that, among many other qualities, enables Peter to fly and to remain eternally youthful. Peter must visit London to help his friend Molly and her family of starcatchers, leaving the boys on Mollusk Island at the mercy of Hook. Squalid London streets, aristocratic mansions (one of which houses a young George Darling), and even Stonehenge make atmospheric backdrops for bouts with pirates, wolf packs, and a deliciously creepy villain who steals souls from shadows. Readers will relish the chance to further explore the backstory of a favorite childhood tale, and hope for a third installment. *GraceAnne DeCandido*

Users Review

From reader reviews:

Seth Sawyer:

Why don't make it to be your habit? Right now, try to prepare your time to do the important action, like looking for your favorite e-book and reading a book. Beside you can solve your trouble; you can add your knowledge by the book entitled Peter and the Shadow Thieves. Try to make book Peter and the Shadow Thieves as your close friend. It means that it can for being your friend when you really feel alone and beside associated with course make you smarter than ever before. Yeah, it is very fortunate for yourself. The book makes you a lot more confidence because you can know everything by the book. So , we should make new experience along with knowledge with this book.

William Gilbert:

The publication with title Peter and the Shadow Thieves possesses a lot of information that you can study it. You can get a lot of help after read this book. That book exist new understanding the information that exist in this book represented the condition of the world now. That is important to you to learn how the improvement of the world. This book will bring you throughout new era of the internationalization. You can read the e-book with your smart phone, so you can read the item anywhere you want.

Jay Blanchard:

The reason why? Because this Peter and the Shadow Thieves is an unordinary book that the inside of the book waiting for you to snap the item but latter it will jolt you with the secret the item inside. Reading this book next to it was fantastic author who write the book in such awesome way makes the content inside easier to understand, entertaining means but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have got such as help improving your proficiency and your critical thinking means. So , still want to postpone having that book? If I ended up you I will go to the publication store hurriedly.

Pamela Edmonds:

Do you like reading a guide? Confuse to looking for your selected book? Or your book has been rare? Why so many query for the book? But any kind of people feel that they enjoy to get reading. Some people likes looking at, not only science book and also novel and Peter and the Shadow Thieves or perhaps others sources were given understanding for you. After you know how the good a book, you feel wish to read more and more. Science reserve was created for teacher or maybe students especially. Those ebooks are helping them to put their knowledge. In additional case, beside science e-book, any other book likes Peter and the Shadow Thieves to make your spare time much more colorful. Many types of book like here.
