Jenny Han's To All the Boys I've Loved Before Playlist

For every book I write, I create a playlist that I go back to again and again to help transport me into the story and into the main character's mindset. The To All the Boys playlist is a blend of songs that Lara Jean would listen to, songs that remind me of her, and songs that score certain scenes in my head.

Playlist:

- 1. **"Please Speak Well of Me"** by The Weepies: I came back to this song again and again because I could picture Lara Jean listening to it as she wrote her letters. It's so sweet and full of yearning.
- 2. **"Crazy"** by Alanis Morissette: This song has such great momentum. You feel like something big is on the verge of happening. It's a great song to listen to if you're writing a book and you need something big to happen.
- 3. **"Only in Dreams"** by Weezer: I could completely picture Peter driving around in his mom's minivan listening to this song at top volume.
- 4. **"Alone Again (Naturally)"** by Gilbert O'Sullivan: Lara Jean has been in love a lot, but she's always alone in love, and she doesn't actually mind it much. I can see her singing along to this song and smiling.
- 5. **"Teenage Love Song"** by Rilo Kiley: Jenny Lewis has the sweetest voice, and this song tells a whole story of love lost. I like that it takes teenage love very seriously because I do too.
- 6. **"The Shoop Shoop Song (It's in His Kiss)"** by Betty Everett: This song is on the *Mermaids* soundtrack, which Lara Jean listens to while organizing her first-week back-to-school outfits.
- 7. **"The Longest Time"** by Billy Joel: Lara Jean loves to bake and she would definitely bake to this song.
- 8. **"Our House"** by Crosby, Still, Nash & Young: Lara Jean is a girl who loves to be at home, to be cozy and putter around the house. For me, this song is the embodiment of that feeling.
- 9. **"Thirteen"** by Big Star: There is no song more nostalgic than this. It feels like a high school experience I never had but wish I did. "Won't you let me walk you home from school? Won't you let me meet you at the pool?"
- 10. **"Love That Girl"** by Raphael Saadiq: This is so Lara Jean to me. It's modern but it feels vintage at the same time, with the Motown claps and call and response choruses.
- 11. **"Heartbeats"** by The Knife: I listened to this song over and over while writing this book. It's very angsty and emo and kind of tough.
- 12. **"I'm Gonna Get You Yet"** by The Dixie Cups: In a lot of ways, Lara Jean is a throwback kind of girl. She loves '60s girl groups, vintage clothes, and the romance of a different time.
- 13. **"Big Girls Don't Cry"** by Frankie Valli and The Four Seasons: This song of course appears in *Dirty Dancing*, the quintessential coming of age movie for teenage girls who dream big.
- 14. **"Love on Top"** by Beyonce: I love how hopeful this song is. It's so driving around with your sisters with the windows all the way down.
- 15. **"P.S. I Love You"** by Nellie McKay: An open window, a breeze, and a glass of lemonade – that is this song. And incidentally, the sequel to *To All the Boys I've Loved Before* is called *P.S. I Still Love You*.

From School Library Journal

Gr 7–10—In this lovely, lighthearted romance, high school junior Lara Jean writes never-to-be-mailed letters to every boy she's ever liked. The teen falls for Josh, the boy next door. The catch: he's her older sister's very recent ex-boyfriend. But when her letters are accidentally sent out, the protagonist is desperate to convince Josh that she's over her crush. Peter, a popular boy at school, also received one of Lara Jean's love letters, and—hoping to make his ex-girlfriend jealous—agrees to be her "pretend" beau. Once older sister Margot leaves for college in Scotland, Lara Jean's interactions with Josh are more complicated. Lara Jean also must take care of her younger sister, Kitty, since their mother died six years ago. Unlike typical teen romances, this is as much the story of a family as it is about falling in love. Family traditions are skillfully woven into the first-person narrative, including some from the mother's Korean heritage. Though the three sisters are very close, they also have conflicts to resolve, and Lara Jean's perspective as a middle child suddenly left in

charge is compelling. Readers will be intrigued by the narrator and Peter's complicated relationship. Does she really love Josh, or is Peter the one for her? Most teens will guess the outcome but enjoy the many twists and turns along the way in this lyrical novel. Readers will remember the Song sisters and the boys in their lives long after the final page turn.—Miranda Doyle, Lake Oswego School District, OR

From [Booklist](#)

Lara Jean writes plenty of love letters, but she never sends them. It's just her way of moving on from a crush. When her secret box of letters goes missing and she discovers they've been mailed—including one to her sister's ex-boyfriend—Lara Jean has to come face-to-face with her past and in the process learn more about her future. While the core of the novel focuses on Lara Jean learning to branch out and take risks, other issues of family, sisterly bonds, and coping without a mother run through the narrative. Though some of the side characters could be better developed, Lara Jean is a quirky, low-key protagonist who is off the relatability charts: she loves vintage clothes and prefers to stay at home, knit, and work on her scrapbooking. Short chapters and a convincing romance keep the story sailing as Lara Jean learns, at long last, to take charge. A wonderful choice for fans of Sarah Dessen and Stephanie Perkins. Grades 9-12. --Sarah Bean Thompson
