## BLOOMBERG FINANCIAL SERIES VISUAL GUIDE TO CHART PATTERNS

The *Bloomberg Financial Series Visual Guide to Chart Patterns* provides step-by-step instructions on using technical chart patterns to spot potential price movement and improve trading returns.

Internationally known author Thomas Bulkowski is a leading expert on chart patterns and a successful investor with thirty years of experience trading stocks. In this easy-to-use guide he shows you how to recognize chart patterns, understand why they behave as they do, and learn what it means when you see one. Most importantly, he tells you how to identify basic buy and sell signals that the different types of patterns reveal.

Light in tone, the book is aimed specifically at the investor or trader already experienced in the stock market, but not necessarily familiar with chart patterns. Trading chart patterns is easy, but making money using them is not. With the knowledge in this book, you'll learn to see not just squiggles on price charts, but footprints of the smart money.
