Doing It Over (A Most Likely To Novel) By Catherine Bybee

Voted Most Likely to Succeed, Melanie Bartlett ended up anything but. The down-on-her-luck single mom wants a complete do-over—is that too much to ask? With her family long gone from River Bend, strong, independent Mel is as surprised as anyone to end up in the quaint small town she once called home. But with her friends, Jo and Zoe, by her side, and a comfortable room at Miss Gina's quirky bed-and-breakfast, she just might have turned the corner on a new life.

Wyatt Gibson never liked the big city. River Bend suits the ruggedly handsome builder just fine. Wyatt knows he's home, even if that means being charmed by the appearance of Melanie and her spunky, adorable daughter. Is Wyatt's calm devotion—even amid a coming storm—enough to convince Mel she may have found a home to call her own, a family that never leaves, and a true love to last a lifetime?

Editorial Review

From Publishers Weekly

Bybee (the Weekday Brides series) launches a trilogy themed on yearbook superlatives (“Most Likely to...”) of three friends, and how they’ve fared ten years after graduation. Melanie Bartlett, labeled most likely to succeed by her graduating class in River Bend, Ore., is back for her tenth class reunion, with her daughter, Hope, in tow. Though she is somewhat embarrassed that she dropped out of college and is a divorced single mother, Melanie wouldn’t trade her life with Hope for anything. Melanie has decided to move back to River Bend and is relieved that Miss Gina, the proprietress of a local bed and breakfast, has a job for her. When Melanie meets Miss Gina’s contractor, Wyatt Gibson, she is surprised that the handsome younger man would flirt with her. Unexpected trouble crops up in Mel’s life, but Wyatt and the townspeople pitch in to help her out. The romance between fiercely independent Melanie and charming Wyatt heats up even as outsiders threaten to derail their newfound happiness. This novel will hook readers with its warm, inviting characters and the promise for similar future installments.

Review

“This brand-new trilogy, *Most Likely To*, based on yearbook superlatives, kicks off with a novel that will encourage you to root for the incredibly likable Melanie. Her friends are hilarious and readers will swoon over Wyatt, who is charming and strong. Even Melanie’s daughter, Hope, is a hoot! This romance is jam-packed with animated characters, and Bybee displays her creative writing talent wonderfully.” —***RT Book Reviews*, 4 stars**

“With a dialogue full of energy and depth, and a twisting storyline that captured my attention, I would say that *Doing It Over* was a great way to start off a new series. (And look at that gorgeous book cover!) I can’t wait to visit River Bend again and see who else gets to find their HEA.” —***Harlequin Junkie*, 4.5 Stars**

About the Author

New York Times, *Wall Street Journal*, and *USA Today* bestselling author Catherine Bybee has written twenty-four books that have collectively sold more than two million copies and have been translated into twelve languages. Raised in Washington State, Bybee moved to Southern California in hopes of becoming a movie star. After growing bored with waiting tables, she returned to school and became a registered nurse, spending most of her career in urban emergency rooms. She now writes full-time and has penned the *Not Quite* series, the *Weekday Brides* series, and, most recently, the *Most Likely To* series.

Users Review
