**His to Cherish: A Fireside Novel** By Stacey Lynn

**Can two hearts entwined by hardship move on to form a healthy bond? From the author of *His to Love* and *His to Protect*, this tender, bittersweet romance brings together a man who loses everything—and a woman with everything to give.**

Chelsea Dwyer arrives home from her job at the middle-school library in Latham Hills, Michigan, expecting another quiet evening—until she hears the screams for help through her living room window. As the first witness to a terrible accident involving two local students, Chelsea doesn't anticipate how her own life will be irrevocably changed by the father of one of the boys. In the wake of tragedy, she's the only one who seems to understand his grief. Chelsea's a survivor, too—and she knows that there are brighter days ahead.

As a single father, Aidan Deveraux worked his entire life to provide a stable home for his son, Derrick. Without him, Aidan feels the deepest despair imaginable. The one thing that keeps him going is his connection with the woman who tried to save his son. Hard as he tries, Aidan just can't stay away. Chelsea's warm embrace is the comforting solace he desperately craves—and it doesn't hurt that Aidan had noticed the beautiful librarian and wanted to ask her out for years. Now that she's in his life, he doesn't ever want to let go.
