Why this book is for true Visionaries ..and how you can become a 3D printing start-up business

This book is for those of you who believe in a vision that has not fully developed yet.

This was written for people who have a strong vision about the future and for those of you who think that modern technology can solve some of our deepest problems.

As long as you have the passion and creativity to start your own 3D printing business you will set yourself aside from the vast majority of people who do not believe in the financial potential of this wonderful technology.

I believe that people who have a rich vision of the future will be the leaders in this industry and in order to be a leader you will have to learn as much as you can

about this subject. I hope that this book will help you through this process.
