Editorial Review

Amazon.com Review

Tim Allen, star of the hit sitcom *Home Improvement*, takes on quantum philosophy, intergender relationships, and the male midlife crisis in a joke-filled (but ultimately serious) "weekend in the life" narrative. It's an odd combination, shifting from enthusiastic gushing over restored sports cars to earnest elaborations upon Deepak Chopra and Fritjof Capra, but Allen manages to pull it off. If you're expecting a standard unchallenging celebrity-penned "book," or a fluff-filled "memoir," you're going to be quite surprised.

About the Author

Tim Allen has won six People's Choice Awards for his television show, *Home Improvement*, and he was twice nominated for an Emmy for Outstanding Lead Actor in a Comedy Series. His first feature film, *The Santa Clause*, was a number one hit, and his first book, *Don't Stand Too Close to a Naked Man*, was a number one bestseller. He lives with his wife and daughter in Los Angeles and Michigan.

Users Review

From reader reviews:

Edward Phillips:

What do you concentrate on book? It is just for students since they're still students or that for all people in the world, what best subject for that? Merely you can be answered for that problem above. Every person has different personality and hobby per other. Don't be pushed someone or something that they don't wish do that. You must know how great and important the book I'm Not Really Here. All type of book would you see on many solutions. You can look for the internet resources or other social media.

William Coker:

Spent a free a chance to be fun activity to do! A lot of people spent their leisure time with their family, or their friends. Usually they accomplishing activity like watching television, about to beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? Can be reading a book can be option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to test look for book, may be the guide untitled I'm Not Really Here can be great book to read. May be it may be best activity to you.

Juan Higgins:

Are you kind of stressful person, only have 10 or even 15 minute in your moment to upgrading your mind proficiency or thinking skill also analytical thinking? Then you have problem with the book when compared with can satisfy your limited time to read it because this all time you only find reserve that need more time to be examine. I'm Not Really Here can be your answer mainly because it can be read by anyone who have

those short extra time problems.

Myra Hackett:

Many people spending their time by playing outside along with friends, fun activity having family or just watching TV all day long. You can have new activity to enjoy your whole day by reading a book. Ugh, do you consider reading a book can really hard because you have to take the book everywhere? It ok you can have the e-book, getting everywhere you want in your Smart phone. Like I'm Not Really Here which is having the e-book version. So , try out this book? Let's see.
