Editorial Review

Review

When I discovered the guitar, my entire life changed. Although I have a God-given talent, it took hours every day of practice for me to play well. I never gave up. I attribute my success to God and hard work. “Believe, achieve and succeed” and “wish it, dream it and do it” . . . these are not my words, but they are the guides I use in my daily life. This book will make it possible for you to change your life if you use it as a guide for your life.

James Burton

Rock and Roll Hall of Fame

The reason I’m such a fan of Terri Savelle Foy is because creativity is a way of life for her. She doesn’t just talk about imagination; she lives it. God introduced Himself in the first chapter of Genesis as a creator, and Terri believes that because we are made in His image, the least we can do is live a creative life. I couldn’t agree more. It’s time Christians embraced real creativity, because that’s a critical path toward engaging today’s culture with a message of hope.

Phil Cooke

Filmmaker, Media Consultant and Author of *One Big Thing: Discovering What You Were Born to Do*

Do you feel like you’re stuck in the same place as you were last year at this time? Are you having trouble seeing yourself in a different location and don’t know how you would get there if you could see it? If so, the book was written just for you. Let this book help you see what God has in store for you! His plans for you are far above all you could think or dream. *IMAGINE BIG* will open your eyes to a new beginning, a new plan and a new future!

John Copeland

CEO of Kenneth Copeland Ministries International

We can’t have it until we can imagine it! Can you see yourself driving that new car, paying off your house, or getting that promotion at work? If not, it’s never going to happen. In this important new book, Terri shows step by step how to dream it and then capture those dreams. You owe it to yourself to read *IMAGINE BIG* and take your imagination to the next level in every area of your life.

Chris A. Goodman

I’ve known Terri for most of her life, and I’ve watched her grow up in the Word. She has become a faithful servant and minister of the gospel, and I appreciate her ministry greatly. I believe this book will bless you.

Mac Hammond

Terri’s message in *IMAGINE BIG* is as relevant for the student as it is for the CEO. The ability to imagine creates the foundation to accomplish anything. This is a must-read book for anyone who wants the keys to

take their life, organization or business to greater levels of influence.
