Infinite Risk (The Immortal Game) By Ann Aguirre

In a world of infinite risk, the stakes have never been so high.

Beyond the pull of life and death lies the Immortal game. Edie Kramer has leaped back to put things right and save the boy she loves. Alone in the wrong timestream, she must reinvent herself and square off against dangerous Immortals determined to win this mortal match once and for all.

But righting past wrongs carries fresh dangers. As she navigates a new school and tries to put Kian on a different path, she also battles those will stop at nothing to keep her from derailing their deadly schemes. With few allies and her first love treating her like a stranger, Edie faces the most dangerous enemy of all—time itself. Yet she's come a long way from that dark night on the bridge, and when her back's to the wall, she'll go down fighting...

The conclusion of *New York Times*-bestselling author Ann Aguirre's Immortal Game trilogy is thrilling and unforgettable.
