One Lucky Hero: The Men in Uniform Series By Codi Gary

She was looking for a little fun....

Violet Douglas wants one night where she can be normal. Where she can do something for herself and not be just her sibling's guardian. So when she spies a tall, dark, and sexy stranger, she's ready to let her wild side roar. The last thing she expects is to see her one night stand one week later, when she drags her delinquent kid brother to the Alpha Dog Training Program.

He wasn't looking for a commitment....

Sgt. Dean Sparks is used to keeping women at a distance, yet he can't resist Violet's snapping wit or smile. So when he suggests a friends-with-benefits arrangement, it seems like the perfect solution to their undeniable attraction. No emotional entanglement, just mind-blowing sex.

But with their lives becoming more and more entwined, Dean realizes that casual isn't enough for him anymore. And as Violet finds herself leaning on Dean in a way she never has, will her fears put more distance between them? Or can she let go of the past and take a chance on happily ever after?
