Editorial Review

About the Author

Susanna Moodie (1803-1885) is the Canadian pioneer and critically acclaimed author of *Roughing it in the Bush* and *Life in the Bush Versus the Clearings*, frank portrayals of life as a settler in 19th century Canada. She was the younger sister of writers Agnes Strickland and Catharine Parr Traill, who also wrote about her experience as a Canadian settler in *The Backwoods of Canada*. Before immigrating to Canada Susanna Moodie was a successful author of such children's books as *The Little Quaker* and *The Sailor Brother*, and was an active abolitionist. Moodie's works continue to influence contemporary writers like Margaret Atwood, and her contribution to Canadian literature was commemorated on a Canadian postage stamp in 2003.
