The Infinite Moment of Us By Lauren Myracle

For as long as she can remember, Wren Gray's goal has been to please her parents. But as high school graduation nears, so does an uncomfortable realization: pleasing her parents once overlapped with pleasing herself, but now . . . not so much. Wren needs to honor her own desires, but how can she if she doesn't even know what they are?

Charlie Parker, on the other hand, is painfully aware of his heart's desire. A gentle boy with a troubled past, Charlie has loved Wren since the day he first saw her. But a girl like Wren would never fall for a guy like Charlie—at least not the sort of guy Charlie believes himself to be.

And yet certain things are written in the stars. And in the summer after high school, Wren's and Charlie's souls will collide. But souls are complicated, as are the bodies that house them . . .

Steamy, romantic, and oh-so-true to life, this is an unforgettable look at first love from one of young adult fiction's finest writers.

Editorial Review

From School Library Journal

Gr 10 Up-Wren Gray has spent her first 18 years pleasing her parents, earning perfect grades and early acceptance into the school and program her dad was hoping for, and, of course, keeping clear of boyfriends. Charlie Parker has spent his first 18 years navigating through foster homes and maintaining his position under the radar. He has loved Wren since the first time he saw her. When chance brings them together for their first conversation, it's electric, and they both know that neither one of them will ever be the same. Wren just might have the courage to look for what she wants out of life-and Charlie just might finally know what true love is. This charming romance has multidimensional characters, straightforward sexuality, and a pace that lets readers fall in love with the main characters. Myracle expertly captures the intense connection of first love, from the need to spend every moment together to trying to figure out how to communicate with one another. The abrupt ending feels out of sync with the rest of the book, but readers should be pleased with it nonetheless. Myracle does not remove the physical aspects of two teens in love, bringing to mind Judy Blume's *Forever*. A romantic read that doesn't shy away from steaminess.-Emily Moore, Camden County Library System, NJ(c) Copyright 2013. Library Journals LLC, a wholly owned subsidiary of Media Source, Inc.
