The Rise and Fall of the Confederate Government: Volume I By Jefferson Davis

Jefferson Davis was a civil servant in the United States government for much of his life. Davis was elected president of the Confederacy in early 1861 following the Southern states' secession from the Union. Davis was captured by the Union in 1865 and spent a few years in jail before he was released. Davis spent the rest of his life in the South and wrote the extensive memoir *The Rise and Fall of the Confederate Government*. This version of Davis' *The Rise and Fall of the Confederate Government: Volume I* includes a table of contents.

Editorial Review

From the Back Cover

Davis devoted three years and extensive research to the writing of what he termed 'an historical sketch of the events which preceded and attended the struggle of the Southern states to maintain their existence and their rights as sovereign communities.' The result was this perceptive two-volume chronicle, covering the birth, life, and death of the Confederacy, from the Missouri Compromise in 1820 through the tumultuous events of the Civil War, to the readmission of the Southern States to the U.S. Congress in the late 1860s.

Users Review

From reader reviews:

Maxine Lucas:

Do you have favorite book? Should you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world.
