### **Editorial Review**

#### Review

This is one of Schimmel's most important books. It sums up a lifetime of scholarship on Islam and, more importantly, it puts her understanding of Islam into a phenomenological framework that will readily be appreciated by scholars and students of other religious traditions. It will be looked back upon as a landmark in bringing Islamic Studies into the mainstream of religious studies. William C. Chittick"

"This is one of Schimmel's most important books. It sums up a lifetime of scholarship on Islam and, more importantly, it puts her understanding of Islam into a phenomenological framework that will readily be appreciated by scholars and students of other religious traditions. It will be looked back upon as a landmark in bringing Islamic Studies into the mainstream of religious studies."-- William C. Chittick
