Shattered: An Extreme Risk Novel By Tracy Wolff

Edgy and emotional in the vein of *The Fault in Our Stars*, the latest Extreme Risk novel from the *New York Times* bestselling author of *Addicted* tells the story of a fearless beauty who inspires a lost soul to take a flying leap back into life.

Wild, fun, and impulsive, Tansy Hampton has a different look and a new passion every week. As a cancer survivor who spent the past several years waiting to die, Tansy has a fresh perspective on life—even if she doesn't have a clue about what she actually wants to do with it. But she's determined to find out, and that means making the most of her time while she still can.

Ash Lewis has poured every last ounce of his blood, sweat, and tears into reaching the very top of the professional snowboarding world—until the unthinkable happens. After the biggest competition win of his career, Ash's mother and father are killed in a tragic accident. Unable to handle the idea of going back out on the snow to pursue the dream his parents shared with him, Ash feels that he has no choice but to walk away from snowboarding forever. Then he meets Tansy.

From the very beginning, their chemistry is intense. But while Ash can't stop chasing the ghosts of what can never be, Tansy stays firmly focused on the possibilities the world holds for her—and for them. She's already picked up the pieces of one shattered life. Now she's determined to help Ash do the same.

Praise for *Shattered*

“My hat is off to Tracy Wolff, who has created a world filled with heart, humor, turmoil and second chances. She tells a tale of love, loss and misguided blame and the pain it causes everyone. . . . I laughed, I cried and I got angry at how unfair life can be. For an author to so completely immerse me in her world, [leaving me] hanging on every word and scene, is the sign of wonderful storytelling. Tracy Wolff has raised her own bar another notch higher.”—**Tome Tender**

“*Shattered* is a complex story with many pieces cohesively blended together to form one spectacular story. Emotionally gripping, sensual, and carefully crafted

to reflect the change and acceptance needed when lives are changed forever, this book will take hold of your heart and remind you to live each day to the fullest.”—**Guilty Pleasures Book Review**

“I loved this story. . . . The writing was flawless, [as were] the plot, and the characters. I loved the family dynamic that this series has. . . . This group really cared about each other.”—**My Midnight Fantasy**

“I’m a big fan of Tracy Wolff and especially the Extreme Risk series. . . . The snowboarder aspect is something different from the norm and this group of friends has really been a treat to read about. There was something about this couple that I really connected with though. From the beginning . . . I soaked up their story like a sponge.”—**Smokin’ Hot Book Blog**

“I *loved* this book! I don’t think of athletes as sexy in general but my goodness I can’t wait for the next Olympics after reading Tracy Wolff’s *Shattered*. . . . Ash and Tansy are both amazing characters who are mainly focused on finding themselves but bring out the best in each other. Even the supporting characters in this book have a special place in my heart and I’m already salivating for the next books to come.”—**Coffee Books Life**
