The Gracious Quran: Arabic-English Parallel Edition (A Modern Phrased Interpretation in English: Ara By Ph.D. Ahmad Zaki Hammad

This contemporary, authoritative translation interprets the Quran's meaning for the English reader with unprecedented access to the Book that is the foundational source of Islam, its civilization and its peoples, who now comprise nearly one-fourth of humanity across the breadth of all the Earth's continents and who form a crucial, contiguous community at the middle of the world.

Twenty years in the making, The Gracious Quran: A Modern-Phrased Interpretation of Its Meanings in English is both highly reliable and powerfully expressed. Where the Arabic of the Quran swells with important implication, that intent is conveyed in this rendering with a light hand in unobtrusive brackets, every effort having been expended to make its reading august, clear, accessible, and consistent while at the same time free of poetic pretension, philosophical complication, and lifeless literalisms.
