About the Author

Charles Capps a farmer from England, Arkansas became an internationally known Bible teacher by sharing practical truths from the Word of God. His simplistic, down to earth style of applying spiritual principles to daily life has appealed to people from every Christian Denomination.

The requests for speaking engagements became so great after the printing of *God's Creative Power® Will Work for You* that he retired from farming and became a full-time Bible teacher. His books are available in multiple languages throughout the world.

Besides publishing 24 books, including best-sellers *The Tongue A Creative Force* and *God's Creative Power®* series which has sold over 6 million copies, Capps ministries has a national daily radio broadcast and weekly TV broadcast called "Concepts of Faith".

Annette Capps is an ordained minister, businesswoman and licensed airplane pilot. A lifelong student of the Bible, her curiosity led her to investigate the similarities of "quantum physics" and the teachings of Jesus Christ. This powerful combination opened new dimensions for those seeking a bridge between the Bible and modern science.

Building on her former teaching subjects such as *The Mind-Body Connection*, and *Changing the Course of Your Life*, she demonstrates the practical application of spiritual principles in everyday life.

Guest appearances on the Concepts of Faith television program with her father, author and teacher, Charles Capps have generated extra-ordinary interest as have radio interviews and magazine articles. In addition to the book, *Quantum Faith®*, Annette has authored four other books entitled: *Reverse the Curse in Your Body and Emotions*, *Understanding Persecution*, *Angels* and *God's Creative Power® for Finances*.

Annette resides in Tulsa, Oklahoma where she is the President of Annette Capps Ministries and acting Executive Director of Capps Publishing and Charles Capps Ministries, Inc.
