Let me take a moment to explain this innovation to you: Web TV or Internet TV is as your usual satellite TV with lots of programs covering several fields such as: Sports, Family, Parenting, Leisure, cities, Documentary, Diplomatic channels, Lifestyle, Business, Food and cooking, Education, Kids, How-to's, Finance, Investments, Politics and indeed lots more. **NO PROGRAMMING SKILLS NEEDED.** Every code has been provided and the channels are already on air. You'll learn step by step method to branding the already available web TV with your own unique id so that all you need to do is just brand, give out your code, if you're designing/branding for a client or copy

and paste to your own site or blog.
