I Don't Want to Kill You (John Cleaver) By Dan Wells

Dan Wells introduced us to John Wayne Cleaver in the chilling novels *I Am Not a Serial Killer* and *Mr. Monster*. In *I Don't Want to Kill You*, Cleaver faces his toughest challenge yet.

John Wayne Cleaver has called a demon---literally called it on the phone---and challenged it to a fight. He's faced two monsters already, barely escaping with his life, and now he's done running; he's taking the fight to them. As he wades through the town's darkest secrets, searching for any sign of who the demon might be, one thing becomes all too clear: in a game of cat and mouse with a supernatural killer, *you* are always the mouse.

In *I Am Not a Serial Killer* we watched a budding sociopath break every rule he had to save his town from evil. In *Mr. Monster* we held our breath as he fought madly with himself, struggling to stay in control. Now John Wayne Cleaver has mastered his twisted talents and embraced his role as a killer of killers. *I Don't Want to Kill You* brings his story to a thundering climax of suspicion, mayhem, and death.

It's time to punish the guilty.

And in a town full of secrets, everyone is guilty of something.

Editorial Review

Review

“Fans of Jeff Lindsay's Dexter series will welcome Wells's gripping debut.” ?*Publishers Weekly* on *I Am Not a Serial Killer*

“Wells's debut is an unabashedly gory gem. This deft mix of several genres features a completely believable teenage sociopath (with a heart of gold), dark humor, a riveting mystery, and enough description of embalming to make any teen squeamish, even if they won't admit it. Buy multiples where it won't be banned.” ?*Kirkus Reviews* (starred review) on *I Am Not a Serial Killer*
