I Love You By Michael Angell

A sample-poem from my first Kindle-book for you.

QUIET SNOWFLAKE

Quiet snowflake, one, that one,
Landing near his elbow, nearer to
the Tree of Life goldenly awaiting
in an alabaster acorn near his childhood-feet,

Quiet snowflake, two, those two,
Landing near their elbows, nearer to the
Forest of Forgotten Love,
Sprouting, ever-lifting sensations and
graciousness to the Elementals of Amor below
and above,

Quiet snowflake, one, that one,
Dissolving the riddle that designed its outfit,
Flowing into all,
An ocean holding a boat where a pregnancy is
revealing its simplicity to the legion of Poseidon,

Luminous shadows, fairy-dust atop Viking
sword-rust,
Strawberries in the mouth of Kali reposed and
satiated,
Worlds blooming in her hair,
Galaxies tumbling from beneath her armpits,

Make-believe-white-walrus-spirits slip inside
cells dividing into Reality,

A cup of steaming coco sits on the golden window seal

of the Artic-queen's castle made of fire opals as dedicated
diamond dragons circle her sleeping in a hammock woven
of falcon-thread and hawk-gold, dreaming.

Editorial Review

Users Review

From reader reviews:

Michelle Johnson:

Nowadays reading books become more than want or need but also become a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book that improve your knowledge and information. The information you get based on what kind of publication you read, if you want have more knowledge just go with education and learning books but if you want truly feel happy read one together with theme for entertaining for instance comic or novel. The particular I Love You is kind of book which is giving the reader capricious experience.

Robert Fox:

Are you kind of stressful person, only have 10 or even 15 minute in your day time to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you are having problem with the book compared to can satisfy your short period of time to read it because pretty much everything time you only find reserve that need more time to be go through. I Love You can be your answer as it can be read by anyone who have those short spare time problems.

Tracy Brown:

This I Love You is fresh way for you who has intense curiosity to look for some information because it relief your hunger details. Getting deeper you upon it getting knowledge more you know or you who still having bit of digest in reading this I Love You can be the light food for yourself because the information inside this particular book is easy to get by anyone. These books develop itself in the form that is reachable by anyone, yep I mean in the e-book application form. People who think that in reserve form make them feel tired even dizzy this guide is the answer. So there isn't any in reading a book especially this one. You can find actually looking for. It should be here for an individual. So , don't miss that! Just read this e-book kind for your better life and knowledge.

Abigail Shelton:

A lot of e-book has printed but it differs from the others. You can get it by world wide web on social media. You can choose the most beneficial book for you, science, witty, novel, or whatever by means of searching from it. It is named of book I Love You. You'll be able to your knowledge by it. Without making the printed book, it could add your knowledge and make you actually happier to read. It is most crucial that, you must aware about guide. It can bring you from one location to other place.
