In Bed with the Highlander By Ann Lethbridge

Hotel Glencovie, 2013

Researching her family tree brings Moirag McLellan to the Highlands and a foreboding castle-turned-hotel. She goes to sleep alone surrounded by modern amenities, but awakens in a room lit only by candles—and occupied by a gorgeous kilted man. And he's far too real to be just an erotic dream...

Glencovie Castle, 1715

Though Gavin MacIver doesn't know how the lusty wench in barely-there clothing came to be in his bed, he knows he never wants her to leave. But if her story of time-travel is true, how can he stop the only woman he's ever loved from slipping through his fingers once darkness fades into dawn?

Editorial Review

Users Review

From reader reviews:

Rhonda Robitaille:

Book will be written, printed, or created for everything. You can realize everything you want by a book. Book has a different type. We all know that that book is important issue to bring us around the world. Close to that you can your reading expertise was fluently. A guide In Bed with the Highlander will make you to be smarter. You can feel much more confidence if you can know about anything. But some of you think that will open or reading a new book make you bored. It's not make you fun. Why they may be thought like that? Have you seeking best book or appropriate book with you?

Belia Gillespie:

In this 21st hundred years, people become competitive in every way. By being competitive today, people have do something to make them survives, being in the middle of typically the crowded place and notice by means of surrounding. One thing that at times many people have underestimated that for a while is reading. That's why, by reading a guide your ability to survive raise then having chance to stand than other is high. To suit your needs who want to start reading some sort of book, we give you that In Bed with the Highlander book as beginning and daily reading book. Why, because this book is usually more than just a book.

Ricky Copeland:

Reading a e-book tends to be new life style in this particular era globalization. With looking at you can get a lot of information that can give you benefit in your life. With book everyone in this world can share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their reader with their story or even their experience. Not only situation that share in the publications. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors nowadays always try to improve their expertise in writing, they also doing some investigation before they write with their book. One of them is this In Bed with the Highlander.

Donald Murphy:

Do you really one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Make an effort to pick one book that you just dont know the inside because don't ascertain book by its cover may doesn't work this is difficult job because you are afraid that the inside maybe not as fantastic as in the outside appear likes. Maybe you answer might be In Bed with the Highlander why because the great cover that make you consider in regards to the content will not disappoint a person. The inside or content is fantastic as the

outside or maybe cover. Your reading sixth sense will directly show you to pick up this book.
