Editorial Review

Review

Gabriel Simon was honored at both Sacramento Reads and as a featured author at the California Reading Assn state conference. --Peartree publishers

About the Author

Gabriel Simon currently teaches his 2nd grade F.R.O.G Class, Fabulous Radical Original Go-getters in Antelope, CA. Growing up, he became fascinated with books and writing stories. He is especially fond of frogs and unique people who inspired him to write this story. Even though frogs are peculiar and odd, we find beauty in them and learn acceptance. We also begin to respect them.

Users Review

From reader reviews:

Hans Diaz:

Here thing why this kind of Og and His Frogs are different and trusted to be yours. First of all reading through a book is good however it depends in the content from it which is the content is as tasty as food or not. Og and His Frogs giving you information deeper including different ways, you can find any reserve out there but there is no book that similar with Og and His Frogs. It gives you thrill reading journey, its open up your own eyes about the thing that happened in the world which is probably can be happened around you. It is easy to bring everywhere like in recreation area, café, or even in your method home by train. When you are having difficulties in bringing the paper book maybe the form of Og and His Frogs in e-book can be your alternate.

Robert Lee:

Exactly why? Because this Og and His Frogs is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will jolt you with the secret this inside. Reading this book next to it was fantastic author who have write the book in such awesome way makes the content interior easier to understand, entertaining means but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of gains than the other book have such as help improving your ability and your critical thinking method. So , still want to hold up having that book? If I had been you I will go to the reserve store hurriedly.

Cynthia Bryant:

Many people spending their period by playing outside using friends, fun activity with family or just watching TV 24 hours a day. You can have new activity to enjoy your whole day by studying a book. Ugh, think reading a book really can hard because you have to accept the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Smart phone. Like Og and His Frogs which is keeping the e-book version. So , why not try out this book? Let's observe.

Matthew Haley:

What is your hobby? Have you heard this question when you got college students? We believe that that question was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. And you know that little person similar to reading or as reading through become their hobby. You must know that reading is very important and book as to be the point. Book is important thing to provide you knowledge, except your teacher or lecturer. You find good news or update in relation to something by book. Amount types of books that can you choose to use be your object. One of them is niagra Og and His Frogs.
