## Reproducing Inequities: Poverty and the Politics of Population in Haiti (Studies in Medical Anthropology) By M. Catherine Maternowska

In *Reproducing Inequities*, M. Catherine Maternowska argues that we too easily overlook the political dynamics that shape choices about family planning. Through a detailed study of the attempt to provide modern contraception in the community of Cité Soleil, Maternowska demonstrates the complex interplay between local and global politics that so often thwarts well-intended policy initiatives.
